

Reagan Run

The Reagan Run began in 2000 as a Dixon Main Street event with major sponsors of the Telegraph and KSB Hospital. The Dixon Athletic Boosters provided the on-course volunteers for the 315 entrants. The objective was to provide a healthy, family oriented running event since there was no longer a running event in the community.

The committee starts gearing up each January and as a result of the actions of a lot of volunteers and support of their generous sponsors puts on one of the finest and most unique road races in Northern Illinois. The participation has increased over time do to the fact that it is a well-run race, has an unconventional course and is a bargain compared to entry fees for other area races. The 2015 event had over 1,600 entrants and 1,533 runners and walkers who crossed the finish line. The committee invites you to sign up and **“Enjoy the difference between this race and all of the others.”** If you can’t participate, please come out and watch the participants along the course of crossing the finish line at Haymarket Square.
