

Reagan Run

The Reagan Run began in 2000 as a Dixon Main Street event with major sponsors of the Telegraph and KSB Hospital. The Dixon Athletic Boosters provided the on-course volunteers for the 315 entrants. The objective was to provide a healthy, family oriented running event since there was no longer a running event in the community.

When you fast forward to 2017 the Reagan Run Committee sponsored the 18th Annual Reagan Run with those same major sponsors, Telegraph and KSB Hospital, and wide support from community businesses and participants. The 2017 major sponsors were:

Due to this tremendous support the entry fees have remained the same (\$20 early entry fee) since 2009 and the participants are provided a high-quality, wicking shirt as well as post-race refreshments.

The committee started gearing up in January and as a result of the actions of a lot of volunteers and support of their generous sponsors puts on one of the finest and most unique road races in Northern Illinois. The participation has increased over time due to the fact that it is a well-run race, has an unconventional course and is a bargain compared to entry fees for other area races.

The 2017 event had 1,537 entrants and 1,391 runners and walkers who crossed the finish line. The 18 Reagan Runs have had 17,445 finishers while the number of wonderful sponsors has grown, as well as in-kind partnerships. The not-for-profit, volunteer Reagan Run Committee has given \$240,237 back to the community and \$29,298 this year to the following organizations:
