

## Reagan Run 5K Scholarships Awarded

The Reagan Run 5K Committee recently offered six \$500 Scholarships, three male and three female, for student athletes who were continuing their post-secondary education at a 2-year college, 4-year college/university or trade school. The scholarships were available to any Lee County high school students who had participated in any or all of the following activities: 1) high school cross country, 2) high school track or 3) have participated in one or more road races including a Reagan Run 5K.

The Reagan Run Scholarship Committee is pleased to announce the recipients of the six 2019 Reagan Run Scholarships: **Hallie Nelson**, who plans to attend St. Ambrose University, **Taylor Troutman**, who plans to attend Morehead State University, **Madeline Blackburn**, who plans to attend St. Ambrose University, **Andrew Lohse**, who plans to attend the University of Wisconsin - Whitewater, **Collin Grady**, who plans to attend Illinois State University and **Sean Lahey**, who plans to attend Sauk Valley College.

The Reagan Run 5K Committee was able to make these scholarships available primarily due to the enormous support of its sponsors as well as the tremendous buy-in by the community and the multitude of participants who have enjoyed the event over the previous 19 races. The committee looks forward to presenting one of the finest road races in the area for the 20<sup>th</sup> time on Saturday, July 6, 2019.
